Dear Consultee,

CONSULTATION DEFERRING SCHOOL STARTING AGE

The Department of Education (DE) has launched a consultation on deferring school starting age. The Department proposes to introduce a new policy and changes to the law to allow flexibility in school starting age for the youngest children in the year group born between 1 April and 1 July. Full details of the proposals are available on-line at

[Consultation on Deferring School Starting Age | Department of Education \(education-ni.gov.uk\)](https://www.education-ni.gov.uk/consultation-on-deferring-school-starting-age)

It is important that the views of educational practitioners are fully reflected in the consultation period. I would therefore encourage all pre-school and school leaders and other teaching and early years practitioners to review the proposals and complete the brief online response survey. Equally, I would encourage you to share these proposals with the wider school community so that the views of parents and governors are taken into account.

The online survey can be accessed at:

[Consultations.nidirect.gov.uk/de/deferring-school-starting-age-consultation](https://consultations.nidirect.gov.uk/de/deferring-school-starting-age-consultation)

Hard copies of the consultation documents and response booklet can be made available in other formats and languages on request contacting DE:

By telephone: 02891858113

By e-mail: SchoolStartingAge@education-ni.gov.uk

By writing to: **School Starting Age Review Team**

A summary of the responses to this consultation will be published on the DE website: www.education-ni.gov.uk
