

# CODING

## New Term – New Programme

Each term we deliver a new programme. Your child may see the same robots from time to time, but the activities will be different. We also follow the wishes of the group too and if they wish to see something we try to accommodate where possible.

### What?

Kids will learn to code using the latest robots and coding apps. We also include VR (virtual reality) and other problem solving and strategic games.

### Who?

The Max Kids Club is aimed at children P1 to P7 and is delivered by primary educators with a passion for technology.

### Dates

Dates: 3<sup>rd</sup>, 10<sup>th</sup>, 17<sup>th</sup>, 24<sup>th</sup>, 31<sup>st</sup> March and 7<sup>th</sup> April
