'LEARNING AND GROWING TOGETHER'

11 May 2022

Dear Parent

It was very encouraging to see approximately 25 parents at our PTA AGM. I really value the work of PTA both in fundraising and in developing a sense of community. It would be great to have lots of parents involved. I particularly appreciate the willingness of the parents below who have agreed to take on post holder roles.

Our first meeting will take place on Thursday, 16 June at 7.00 pm in the Assembly Hall. We will enjoy a cup of tea/coffee together and spend some time in small groups brainstorming ideas for PTA in preparation for the new school year. I would really encourage as many parents as possible to come along as we begin this new adventure together.

Kind regards
