**'LEARNING AND GROWING TOGETHER'**

12 October 2022

Dear Parent

You may be aware that we have been sponsoring children in Tanzania through Kids 4 School for quite a few years now.

Kids 4 School will be telling the children all about the work they do in Tanzania at an assembly on Tuesday, 25 October 2022.

In order to continue to support the children in Tanzania we would like to ask for a donation of £2 per child to go towards the cost of sponsorship for this year.

Payment can be made via the School Money system and will be available from Thursday, 13 October 2022.

I would like to thank you for your continued support of this very worthwhile cause.

Kind regards

---
