'LEARNING AND GROWING TOGETHER'

25 October 2022

Dear Parent

TANZANIA SPONSORSHIP

As you are aware, our focus today was all about Kids 4 School and what a positive impact our sponsorship makes to the children we sponsor in Tanzania.

To date 311 children have paid £2 towards sponsoring children in Tanzania. 129 have not yet paid and I would really encourage you to go onto School Money as soon as possible to make your contribution. In Assembly the children were learning that every penny really does make a difference and that £2 can go a very long way in Tanzania.

PTA DISCO – FRIDAY, 28 OCTOBER 2022

The PTA Halloween Disco is being held during school this Friday. To date 267 children have paid for the disco, but there are still 173 who have not yet paid. The PTA work very hard to raise additional funds for school and I know all the children will really enjoy the disco and the opportunity to come to school in “fancy dress”. I would ask you to please log on to School Money before Friday to make your payment.

CHRISTMAS DINNER – FRIDAY 9 DECEMBER 2022

Just a reminder that your child's Christmas Dinner should be booked and paid for by **Friday, 18 November**. In order to facilitate this booking, dinners for week commencing 5 December 2022 will be available on the School Money system from Monday, 7 November to enable you to log on to book your child's dinner. All other weeks will be available on a weekly basis as usual. It is important that all bookings are made on School Money by Friday, 18 November to enable our kitchen staff to place orders, etc in advance. Children in receipt of free meals should also book on the School Money system – no payment will be requested.

As always, I would like to thank you for your continued support.

Kind regards

J LOUGHINS
Principal
