**'LEARNING AND GROWING TOGETHER'**

8 January 2024

Dear Parent

For our Diversity Day this year we will be focussing on the country of Australia. On this day your child will be learning about the culture, food, art, etc of Australia. This will take place in school on Friday, 19 January 2024.

We would encourage children to dress up for this day. Possible ideas to consider include:

- A costume based on an Australian theme.
- Dress up as a famous Australian.
- Dress in the colours of the Australian flag.
- Face painting of an Australian flag.

Your support is greatly appreciated.

Kind regards.
